

Meadville Time Trade hosts Sharefest as part of Saturday's Community Celebration

Apr 29, 2016

Meadville Time Trade hosts a Sharefest as part of the Community Celebration on Saturday at the Meadville Downtown Mall.

A Sharefest is an item exchange event. Take an item you wish to share between the hours of 10 a.m. to 2 p.m. and take any item(s) that you want/need.

Meadville Time Trade is a service exchange program whose members exchange services using time credits instead of money to “pay” for services provided by members. One hour equals one time credit. Everyone’s time is equal, and everyone has something to give.

Time Trade will have an area in the mall for the public to drop off clean, reusable item(s). The Time Trade requests no clothes. The concept behind time banking is giving and receiving and the importance that both are part of an exchange.
